

Asian University of Bangladesh
Department of Social work
BSS Catalog-2023

1. Objectives

The objective of the program of BSS (Hon's) in Social Work is to provide students with advanced and practical knowledge in the field of social work practice. The curriculum includes major social issues of contemporary world and strategies to address them. The students will be provided with both theoretical knowledge and practical experiences of major social problems. After completing their courses, the students of the program will be able to address social issues facing the nation and contribute to the development and advancement of the national social indicators.

2. Entry Requirements

The entry requirement for the BSS (Hon's) in Social Work program is a Higher Secondary Certificate (HSC), A-level, Alim or any other equivalent level of education recognized by the authority, and fulfilling any other conditions that may be required by the authority.

3. Admission

Admission to the BSS (Hon's) in Social Work program is on a highly competitive basis. Candidates are selected for admission on the basis of past academic records, results of written tests and a viva examination

4. English Language Requirement (for foreign student only)

Proficiency in English is essential to pursue the BSS honors in social work program. Those who are admitted to BSS program will be required to submit documents about their level of proficiency in English. This requirement may be satisfied by a TOEFL score of at least 550 or 6.5 in IELTS or equivalent scores in other examinations. For those students who cannot satisfy the above requirements, the university will organize a set of four Intensive English Language courses in the first semester of their studies. Students will have to pass this course with at least a 'C' grade before they are allowed to join the main BBA program. Students failing to achieve a 'C' grade in the first attempt will be allowed only one more semester to improve their grades in English.

5. Graduation Requirements

A student will have to complete 144 credit hours of which 84 credit hours consist of core courses, Elective Courses 15 Credits, GED Courses 36 credits and the remaining 9 Credits hours are from Internship/ Thesis. A student must obtain at least a 'C' grade to pass any individual course.

6. workloads

Social work students will generally take 18 to 27 credit hours per semester. The amount of credit hours will vary from semester to semester.

Asian University of Bangladesh
Department of Social work
MSS Catalog-2023

1. Objectives

The objective of the program of MSS in social work is to provide students with high quality education for human resource development so as to enable the graduates to compete in the modern global world. The curriculum seeks to disseminate knowledge in an ethico-human approach integrating our national heritage, values and principles with a view to producing graduates who are professionally sound and morally upright. The graduates will be able to make such education accessible to all groups of people in the country, including the general masses of the population, rural as well as urban, and fresh students as well as working people. After completing their courses, the students of MSS in social work will be able to provide a conducive academic atmosphere for intellectual development of the youth in an environment free from political and other disturbances. Finally, the students will contribute to moral uplift of the people and to create a society of tolerance to coexist in peace and harmony in a healthy atmosphere.

2. Entry Requirements

To get admission for the MSS program a student needs to achieve a total CGPA 2/ 3rd division in Honor's level.
